

ONLYONE FAIR Idea Evaluation Criteria

Category	Weight	Details	Statement
ONLYONE MOMENT	60%	Originality	Did it identify trends that the existing market or competitors have not yet noticed and presented a new perspective
			Is it linked to CJ's business and outstanding competencies, to create a customer experience that no other company can replicate?
		Excellence	Did the idea aim for the highest industry and Global levels without lowering expectations?
			Was the plan designed with detail, to ensure the idea could be successfully implemented as a business?
		Lasting Value	Does it go beyond a mere one-time experience to become a part of customers' daily lives and be repeatedly consumed?
			Does it have the potential to expand into adjacent markets and areas beyond the initial customer base and the idea?
Strategic Alignment	20%	Is the idea aligned with the key strategic directions on which the company is currently focusing its capabilities?	
We Who Prove It	20%	Did they set an ambitious goal that cannot be achieved through existing methods, and attempted a new approach commensurate with those goals?	
		Did they present the idea in a convincing and authentic manner, backed by evidence they have personally verified?
